## For Immediate Release

Lommis, Switzerland, 1. February 2015 – KUERZI AVIONICS AG of Lommis, TG is a leading avionics and aircraft electronics design and production organization in Switzerland, serving customers worldwide since 1978.

KUERZI AVIONICS AG is pleased to announce the successful Helicopter Emergency Medical System (HEMS) integration on the Airbus Helicopter H145 fleet for Air Rescue Service Providers. KUERZI AVIONICS AG performed as project partner of Bucher Leichtbau and provided the HEMS on-board electronic system.
