AERO 2017 Signature of Cooperation Agreement between Swiss Re Corporate Solutions and Kuerzi Avionics AG  
(Adrian Raths, Swiss Re Corporate Solutions, Robert Zehnder, Kuerzi Avionics AG)

Swiss Re Corporate Solutions has signed a cooperation agreement with Kuerzi Avionics AG for avionics expertise and consulting in the field of avionics.

As the preferred cooperation partner of Swiss Re Corporate Solutions, Kuerzi Avionics AG specialists will act as loss adjuster, claims examiners for insurance cases such as avionics losses and electronic component damage. The consulting also includes second opinion regarding avionics repair and sale of avionics salvage.

With the vast experience Kuerzi Avionics AG has in design, engineering, certification, production, installation and maintenance of avionics components and systems on airplanes and helicopters of all sizes, make and models, Kuerzi Avionics AG is the ideal partner for Swiss Re Corporate Solutions. For complex insurance cases where avionics is the matter, the Claims Specialists of Swiss Re Corporate Solutions can count on almost 40 years avionics experience and knowledge from the Kuerzi Avionics AG specialists.
